

Code of Ethics

I am a member of the [International Coaching Federation \(ICF\)](#). ICF is a vibrant global community committed to the shared vision of making coaching an integral part of a thriving society. As members, we must reflect on our blind spots and be aware of opportunities for improvement. We cannot ignore the challenges that many coaches and coaching clients face due to systemic problems in their communities.

As members of the ICF community, we ascribe to the core values of integrity, excellence, collaboration, and respect. The foundation of these values is a shared commitment to diversity, inclusion, belonging and justice.

“We place diversity, inclusion, and belonging at the forefront of every decision we make within our Association. As we continue the journey toward our vision, we will recommit ourselves to valuing the unique talents, insights, and experiences that every coach and client brings to the world.” – [International Coaching Federation](#).
